

# Casey Fields Reserve

Berwick-Cranbourne road, Cranbourne East

Casey Fields is a large area with various sporting reserves and a dog park. Depending on the service, we use the oval No 2, Netball courts, Soccer pitches and Dog park.

There are lots of other areas to train, desensitise and walk your dog, without encountering too many triggers.

Park near the Netball courts.

I don't recommend using the dog park, unless it is almost empty.

- Meet at arrow located netball courts
- Please have a harness and collar on
- Dog must be leashed
- Message when you have arrived
- Be aware dogs and people around
- Be aware of distractions such as: ducks, water, cars, etc so be aware
